

## CITY OF WAVELAND

### AUTOMATIC BANK DRAFT- UTILITY DEPARTMENT BILLS

Water bills for the City of Waveland can be paid in the office by check, cash, money order, or by credit/debit card, however, there is a 3.5% fee to process the card. You can also pay your bill online at [www.wavelandpay.com](http://www.wavelandpay.com). The city of Waveland also offers an option of Automatic Bank Draft through your checking account to pay water bills. There is no fee for this option and your bill will automatically be drafted from your checking account on the due date of the bill which is the first business day of each month. Unfortunately, we cannot set up auto drafts to come out on other days of the month. All auto drafts have to be processed at the same time. You will still receive a bill in the mail letting you know how much will be drafted from your bank account and it is also a way to make sure that you do not have a leak which you are unaware about.

If you wish to set up an Automatic Bank Draft for your water bill, please bring a **VOID BLANK** check to the Waveland Utilities office; again, there is no fee associated with this service. We have a form for you to fill out and the Auto Draft will start on the next due date of your water bill.

If you have any questions please call our office at **228-467-9248**.
