**MAYOR'S REPORT – (cont.)**

Re: The Mayor said that he met with Mr. Charlie Cornelius regarding the Keep America Beautiful Program. Parks and Recreations Director Chris Johnson will participate in a conference call with the Keep American Beautiful Organization and Mr. Tommy Kidd, who is working with the City to reduce blighted properties and general beautification; Mr. Johnson will then report back to the City. The Mayor said they have set a preliminary date of March 19th for a cleanup event in the City, which is yet to be determined.

Re: Mayor Garcia met with Chamber of Commerce Director, Tish Williams this week, who presented the Mayor with a business plan for the Business Incubator. The Aldermen have received a copy of the plan submitted by Mrs. Williams for their review.

Re: The Mayor also said that the National Academies Board of Earth Science and Resources visited and toured Waveland today. Local Architect Allison Anderson was also present to explain the reconstruction of the Civic Center. Mayor Garcia said that he explained the post and pre hurricane Katrina information and answered questions. The members were made up of Engineers, Federal agencies, Emergency Managers, Public Health and non-governmental representatives. Their project will result in a public report to Congress in early 2012 which will strive to increase National resilience to hazards and disasters, whether natural or manmade.

(See Exhibit A - Transcript for Details)

**ALDERMEN'S COMMENTS**

Re: Alderman Stahler said that next week is the Mid-Winter Mississippi Municipal League (MML) Conference, noting that she has been elected to serve on the Board of Directors of MML. Alderman Stahler said that she will also serve on the education committee and looks forward to introducing Alderman Lafontaine and Alderman Kidd.

Re: Alderman Stahler said that she attended the EOC Meeting this morning and reported that the two trailers with wash stations and bathroom facilities will move with the cleanup crews, eliminating port-o-lets on the beach. Each foreman will be identified by a blue vest. The plan after March 1, 2011 is to “Monitor and Maintain” the beach, however BP will remain present in the County. Compton
Engineering will host a meeting to discuss outfalls and culverts related to the oil spill.
Re: The Bay Waveland Main Street met to prepare an action plan for 2011. Alderman Stahler said that she and Mike Kopke were present at the meeting and will serve on the economic Restructuring Committee; they’ve set goals to increase Coleman Avenue’s visibility, develop a comprehensive website, encourage property sales and develop rebuilding and second home markets.
Re: Alderman Stahler said that as the Mayor’s appointee to the Hancock County Utility Authority, she attended her first meeting on January 11, 2011. There are more than 97 million dollars of federally funded projects going on for the Authority at this time.
Re: Alderman Stahler said that she and Mayor Garcia attended the Hancock Solid Waste Authority meeting on January 10, 2011. Waste Management has recently done a house count for billing purposes, and she and the Mayor will be checking on these numbers.
Re: Alderman Geoffrey asked Bruce Newton about the street patch work at the corner of Old Spanish Trail and St. Joseph. Engineer Bruce Newton said that it would be done on Monday and Waveland Avenue and Highway 90 would be done as well.
Re: Alderman Lafontaine said that he looked at the Veteran’s Memorial (at the foot of Coleman Avenue) regarding erosion problems. Alderman Lafontaine also asked if the grass could be cut along the railroad tracks. Mayor Garcia asked the Public Works Director to look into this and contact CSX.
Re: Alderman Lafontaine asked about the December Revenue and Expense Report and why was it not on the agenda. Comptroller Worrel stated that there have been several projects that had priority over the Revenues and Expense reports; he has been working with MDA SCDL loan forgiveness programs and trying to get that and the Code Enforcement grant closed out. He said, “I’ve also been working with MDA Auditors for CDBG Projects and the SCDL represents about $3.4 million of potential loans to be forgiven.” Code Enforcement Grant that have to be closed out. (See Exhibit A Transcript).
Re: Alderman Kidd noted the poor lighting on Highway 90 and wants to see all of the lights turned back on. Mayor Garcia said that he will ask Electrician, Aaron Wilkerson to come up with a dollar amount for this request. The Mayor said, “Lets verify what we are saving, if anything, on that Mark.”
Re: Alderman Kidd said that he met with Digital Engineering regarding construction employees working on the various projects around the City.
Re: Alderman Kidd told audience members that he rode one night with the Police. He said that by riding with an Officer, he saw another side; he especially likes how they back each other up.
Re: Alderman Kidd also said that there have been more burglaries lately and asked residents to call the Police Department if they have a Police problem, and not him and this will only delay getting help.
Re: Alderman Kidd asked if the City has a Go-Zone set up. Mayor Garcia said, “None that he is aware of.”
Re: Alderman Kidd discussed the Waveland Housing Development property donation on Waveland Avenue to the City of Waveland. The city can apply for a grant from the NFL to build 2 football fields with parking for 130 vehicles.
Re: In addition, Alderman Kidd noted that he drove the annexed area to address contractor issues.

PUBLIC COMMENTS
Re: Mrs. Brenda McComb said that it was good to see Zach Butterworth sitting at the meeting tonight.
Re: Roger Estopinal said that he would pass for now on his comment.

DOCKET OF CLAIMS
Re: Claims Nos. 67642-67788

Alderman Geoffrey moved, seconded by Alderman Lafontaine to approve the Docket of Claims being numbered as 67642-67788, as submitted by the City Clerk. (EXHIBIT D)

Alderman Lafontaine questioned Ms. Joy Normand about dumpster costs. Ms. Normand explained that the City would be going out for bids for this service soon. Alderman Lafontaine questioned docket numbers 67665, 67666, and docket number 67695. Ms. Normand provided explanation. Alderman Lafontaine asked if docket numbers being paid on the current docket could be named as such on the agenda.

Alderman Kidd asked about docket number 67718 for the Hancock County Seniors. City Clerk Planchard said this is a fee that has been budgeted for and it is the City’s quarterly share for the program located in Bay St. Louis. Alderman Kidd asked Director Dina Allen about the cost for Veterinarians and wanted to know if every animal gets spayed or neutered. Ms. Allen said yes, but those fees are reimbursed. She asked if Alderman Kidd could come to the Animal Shelter so they could get together and discuss the Shelter budget and fees, she could provide a more thorough explanation if she had her paperwork. City Clerk Planchard asked Ms. Allen to provide the Board with the Animal Statistics report each month.

400 DAVIS STREET/PUBLIC WORKS
Re: Mr. Chad Mullen was present to discuss the Davis Street water tower and possible cell tower lease
Mayor Garcia asked if this issue could be taken under advisement until a later date because of the City not meeting required water storage requirements. Mayor Garcia said that we must meet rating bureau requirements; this will affect grants if we do not meet these requirements, and thus cause an increase in fire insurance rates. Mr. Mullen said if the City builds a tower back, Cellular South would be interested in leasing space on the tower. Cellular South is mainly interested in keeping the tower in the same place to have no disruption in service to their customers. Mayor Garcia asked if a hurricane hit, would Cellular South place a temporary pole inside the area to allow for service. Mr. Mullen said that he would get the Mayor in touch with the proper individuals to see about this. Mr. Mullen also noted that if the City rebuilds this water tower, Cellular South would like to install a temporary tower so as to have no disruption in cell phone service.

BIDS/MAGNOLIA CONDOMINIUMS LAND
Re: Bids were received earlier (prior to the meeting), and were taken under advisement

Spread on the minutes that the bids related to the Magnolia Revitalization removal and disposal of clay base material and stockpiled material were opened at 6:00 p.m. this evening and were taken under advisement, pending review of proposals by the Building Official, Public Works Director, and approval to award by City Attorney.

PERSONNEL/INSURANCE/BUDGET
Re: Letter of Understanding for City of Waveland to become a Tobacco-free Workplace

Alderman Geoffrey moved, seconded by Alderman Kidd to table approval of a Letter of Understanding between Blue Cross and Blue Shield and the City of Waveland agreeing to become a Tobacco-free Workplace. The enforcement of this agreement would create a net savings of $14,400.00 per year. Ms. Dianne Moore of Fox Everett will be present to answer any questions.

The agreement would enforce the following:
- No tobacco use by employees, visitors and vendors.
- No tobacco use at City’s workplace, on City’s business property or in city’s business vehicle.
- No tobacco use by employees when working outside the office or during business travel.
- Employees must refrain from the use of tobacco on any neighboring property indoors or outdoors.
- All employees must sign a tobacco-free statement to ensure understanding of City’s workplace policy.

PUBLIC COMMENTS
Re: Mr. George McCann asked about the Garfield Ladner Memorial Pier being closed. Mayor Garcia said that the pipes were frozen, broke, and as a result no bathroom facilities.

Re: Mr. Alfred “Tiger” Harris questioned the bait shop proposal which was bid out and why is the City not proceeding with that vendor to run the bait shop?
Alderman Stahler said that when the oil spill occurred, the Board rescinded the Award of Bid.

Re: Mrs. Myra Saeger asked where the City stood on the Marina. Mayor Garcia said the City has asked Compton Engineering to stop work on that project until the Board determines what the City wants and once more questions are answered about the Marina Project.

Re: Mr. Roger Estopinal commented about the local radio station, WQRZ. He said he understood freedom of speech; however the hate toward the City has become questionable and recommends the City look into this. The Mayor said the City has over 300 flood violations and the complaints on the radio are directly related to non compliance with flood requirements. Mr. Estopinal further said that the citizens were speaking out, appalled by the verbiage from the station, and siding with the Board.
